

Releases and Signatures

- The information given by the student is true and accurate.
- We have read the Martha Guy Summer Institute brochure and/or website and understand that the institute is an academic program meant for self-motivated students who have an interest in business, and are able to handle the responsibility of being away from home for three weeks.
- If the student is accepted to MGSI, we agree to adhere to its rules and regulations concerning students' responsibilities in the academic and residential life programs. We understand that the director has the right to dismiss any student whose behavior is not consistent with the goals and standards of MGSI.
- We agree that 1) so-called directory information about the student, including student's name and address, school, and parent names and address may be released at the discretion of the MGSI staff to university staff, if necessary and 2) if the student is accepted to MGSI, this information may be used in press releases, student directories and similar publications.
- We request that all school records and data in support of the student's application to the Martha Guy Summer Institute be made available to MGSI officials, and we agree that the home school may release a copy of the student's current academic transcript for review by MGSI committees.
- We understand that since application materials are not covered under the Buckley Amendment (Family Rights and Privacy Act), all materials obtained by MGSI as part of the admissions process are confidential and are not available for review by the applicant and parents or guardian.

Both signatures are required:
